### ENTERPRISE.

Enterprise, January 27 .-- A goodly ign of the probable return of the good old days to Enterprise is the visit to the Brock bouse of one of the old frequenters of ten years ago, Captain J. Harry Wyndham-Walker, of the 4th (Royal Irish) Dragon Guards, from London, England, who with his friend, Mr. Frank Storer, enjoyed some fishing on the St Johns river, as in days gone by. We look for a rewhen he came in late, "I'll attend to your case after supper?"-Atchison turn visit from them again pretty soon, as they are old friends of Mr. deBary, with whom they usually spend a good part of their time while see a surgeon washing his hands after

Other guests at the Brock house recently were Mr. and Mrs. O. C. Saffell, Mr. and Mrs. S. P. Jennings, New Castle, Ind.; Mrs. B. M. Brossek, De-Land; F. S. Irby, Atlanta, Ga.

One of the two convicts who recently escaped from Monro's camp near Titusville was captured by one of our congenial railroad inspectors on Tuesday, after having stripped the clothes line of Mr. Padget near Enterprise junction, for the purpose of effecting a change in his clothing to facilitate his escape. He was handed over to one of the camp keepers, who conveyed him back to Titusville. Rufflans of this stamp should be well watched for by all citizens of the state and their capture effected, even if necessary to drop them in their tracks when so doing, as it is impossible to say where their evil dep. edations pay end if permitted to roam the state at their own free will.
